Application Notes about Technology

Tired of wasting your student's time with passive listening and viewing of multimedia materials?

This software is different.

www.sanako.com

www.logikelectronic.com

Media Assistant Digital Multimedia Player

Precision Digital Browser
For Language Reinforcement
Lab or Solo Version

- Playback almost all digital Video and Audio Files.
- Bookmark multiple locations for **QUICK search-and-play**, and segment comparison.
- Playback a specific segment **endlessly**.
- **Record a separate audio commentary** of what you see or hear, complete with synchronized playback.
- Add **text** or **pictures** for display with any program.
- **Oral Testing possibilities** allow student to answer questions about the material and save answers as an MP3 audio file.

You've got to see – and hear – this system.
